

TUGGERAH STUDIO PHOTO DAY 2011

DATE: SATURDAY 29th October 2011.

VENUE: Lee Academy TUGGERAH studio.

3 Teamster cl, Tuggerah. (in Tuggerah business park)

A VERY FUN & EXCITING DAY! – OUR PHOTOS ARE THE BEST! We always get GREAT photos, beautiful & fun photos that celebrate our team's year.

DO NOT MISS THIS PHOTO SHOOT – ATTENDANCE COMPULSORY

Please allow at least one hour from the start time of the team's shoot for everything to be finished.

Parents are very welcome to come in to help their child get ready. We want everyone to look absolutely gorgeous in our cherished photos. Due to space limitations, Parents will be strictly limited to the foyer and changing area on Photo Day. The changing area is the gymnastics studio, right next door to where the photos will be taken.

INFORMATION REGARDING PHOTO DAY:

It is really important to be in attendance at photo day. This year we will be creating some beautiful team photos & everyone needs to be in the photos to make them special. Please take the opportunity to have some beautiful individual shots done as well EVERY pupil is included in the team photo: regardless of purchase: do not miss the opportunity to be involved with your team photos.

For some of you, perhaps they may not seem very important right now: but in the future they will become cherished memories & part of Lee Academy history. Don't forget that if it is your 5year, 10 year or 15 year medal year: that it is a great opportunity to have some special photos taken: either with you & your friends: you & your teacher, or make it all about you & get one with a medal on your own! ☺

Individual photos are also available: individual photos will be taken of any pupil that orders them. It is great to get an individual photo in all your costumes.

WHAT TO WEAR IN YOUR PHOTO: wear your Lee Academy COSTUME for each routine, complete: with ALL accessories & the compulsory shoes & stockings for each routine. Your hair must be done in the manner that it states on your costume note for each routine. Make-up is to be worn as well. Appropriate make up is your stage make-up, minus the flicks from the corners of the eyes.

LATE FEES APPLY FOR ORDERS PLACED ON THE DAY – PLEASE SAVE MONEY BY PLACING YOUR ORDERS

BY THE CLOSING DATE:

orders can be placed at any Lee Academy studio during operating hours.

Costumes, Shoe, hair & accessory requirements.

For each separate routine, there are certain requirements in regard to costumes, shoes, hair styles & accessories that are needed in time for the PHOTO DAY. Prior to PHOTO DAY, please DOUBLE CHECK outfits & ensure correct attire. Part of a dancer's experience is learning good self-presentation which will carry over into their lives outside of class, now & in the future.

- ***Dance stockings** are available from our DANCE shop at Doyalson & Tuggerah studios in hours of operation.
- ***Diamond earrings** are available from the studios too. ***Hair** ribbon or scrunchie included in with each costume if needed. Bun nets, hair pins, bobby pins available from any chemist or Coles, Big W etc.

Our professional still photographer this year will once again be Damian & Lauren Tierney. All photos must be ordered **prior** to the photo day. Order forms for this purpose can be found attached. All orders must be on the correct order form, with payment. Order forms may be returned to any Lee Academy staff member during normal class times **by the closing date**.
